All rates are based on the child's age as of September 1. We do not move children into a different group on their birthday, they will remain with their teachers and their friends and graduate as a group the next fall. This policy minimizes transitions for the children and gives them the benefit of a lower ratio for a longer period of time. The Schedules listed below are the offered continuously.

Occasionally, we may have availability for a different schedule based on remaining vacancies in a class. Alternate schedules are dependent on coordinating paired schedules.
